A small Mexican boy of Johnson Addition, was run down unavoidably Sunday afternoon by a car driven by James Bell, on the street of Lowell. The boy states that both wheels passed over his groin. Bell was driving slowly down the street when the boy started in front of the car without seeing it. He immediately applied his brakes but was unable to stop the car until it had passed over the boy. Dr. Walker is attending the boy and was unable to state yesterday just how badly the lad was injured. The skin was not broken but he is badly bruised.

### "QUIEN SABE."

"Quien sabe," with a shrug of the shoulders, was the best Justice Totman could get from Alfonso Madrid, a Mexican lad, who was arrested yesterday, with one gun, a hunting cat and a pair of shoes which had been stolen from the yard of the Bisbee Fuel and Feed Company, in his possession. The boy wished to plead "not guilty" and he was ordered placed in jail until 2:00 o'clock this afternoon, when his hearing will be held. Of the articles stolen all but one gun was found in possession of the lad. When asked where this article was, he merely shrugged his shoulders, looked blank and said: "Quien sabe."

### THE PROOF OF THE PUDDING IS IN THE EATING.

What the sick want is to get well. They do not care whether they are cured by the most scientific physician or the most unlearned neighbor—they don't care how they are cured, if only they get well.

For forty years women suffering from female ills have been taking Lydia E. Pinkham's Vegetable Compound and have been getting well; and because they have got well, that great medicine continues to have a sale equalled by that of few proprietary preparations. (Advertisement)

### REVIEW STORY HAS EFFECT.

## JUNIORS DEFEAT VICTORIOUS RED SOX AT DOUGLAS

Crouch Pitching With Brilliant Support Gives Local Team Even Break With Douglas for Championship.

In the second of a series of three games for the Inter-city championship, the Warren District Juniors defeated the before victorious Douglas Red Sox on their home grounds Sunday, in one of the fastest boys' games ever staged in this neck 'n' the woods by a score of 8 to 6.

Crouch pitched a fine game for the Juniors, fanning ten and allowing but seven scattered hits. His pitching was aided by brilliant support throughout the game. The locals pounded Douglas for fourteen good hearty knocks.

Next Saturday the Junior team will take another trip to Douglas. In the meantime they will practice faithfully. They are, however, in need of a team to play against and any boys' team in the district are cordially invited to give them a practice game. To arrange this match, write Captain Harry Henderson.

### MAN APPREHENDED.

A young man was apprehended in the Philadelphia Hotel Sunday in the room of one of the lodgers there. He was searched and nothing was found in his possession and the man whose room he was found in said he could find nothing missing. However, things in the room had been disturbed. Charley Cunningham, proprietor of the hotel, states that the young man was such a fine looking fellow that he could not account for his actions. He thought that perhaps the fellow had

been in a disturbed frame of mind and had wandered into the room not knowing where he was going. Judge Totman has the case under advisement.

### ANOTHER CONVICTED.

Otto Bruhne, who operates the Brewery in Bisbee, was convicted this afternoon of selling intoxicating liquor. The jury was out less than four minutes. Bruhne was given a great reception in the county jail when introduced by Sheriff Wheeler to the other inmates.

Jeff Dunnigan, of Douglas, will go on trial tomorrow morning.

## CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your drugist and get a 50 cent bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.
